TO WHOM IT MAY CONCERN

This is to formally certify that Mr. Rifat Al-Ashwad, a resident of Dhaka, Bangladesh, has been engaged with Essence Consultancy UK as a Remote Software Developer since January 1, 2024.

In his role, Mr. Rifat is responsible for the development, maintenance, and optimization of web-based software systems. He works in close collaboration with our technical team, consistently delivering high-quality code and thorough documentation that align with our project requirements and professional standards.

Mr. Rifat is engaged on an ongoing contractual basis. Compensation for his services is remitted via international bank transfers directly to his account in Bangladesh.

We confirm that this is an active and continuous professional engagement. Mr. Rifat has demonstrated strong technical skills, reliability, and professionalism, and remains a valued member of our development team.

Should you require any additional information or verification, please do not hesitate to contact us at the details provided above.

Sincerely,
Noreen Umer
